Biology Text Books – Year 13

Dear Parent(s)/Guardian(s)

We are delighted that your son/daughter has chosen to continue to study biology at A Level.

To help them with their studies, students have been provided with an online version of the course textbook. They can access this as well as additional resources via the Kerboodle website and we strongly encourage students to read around the subject.

We have the following books available to students that they can borrow for the year at a cost of £5 per book. The books available are the OCR Biology A Year 1 textbook (for revision) and OCR Biology A Year 2 textbook to use alongside lessons their this year. This money will be returned to them upon return of the book.

We are also giving students another opportunity to order the Biological Sciences Review (4 journals produced during the year) and the CGP Revision Guide Year 1 and 2.

If you would like to order/loan any of these books then please complete the form below and return it with your payment to Mrs Shephard who collects in the concourse between 8.45am and 9.15am. The deadline for payments will be **Friday 6th October 2017**.

Many Thanks
