Headteacher: Dr A A L Evans BSc(Hons), PhD

October 2020

Dear Parent/Guardian

As part of the GCSE Combined Science or GCSE Biology, Chemistry and Physics courses your son/daughter will sit examinations at the end of Year 11, two in each of Biology, Chemistry and Physics.

To help support students continue their independent learning, homework and revision outside of the classroom, the Science department are selling optional CGP revision guides at discounted prices as follows:

- New Grade 9-1 GCSE Combined Science Revision Guide – High Tier £5.75
- New Grade 9-1 GCSE Combined Science Revision Guide – Foundation Tier £5.75
- New Grade 9-1 GCSE Biology £3.00
- New Grade 9-1 GCSE Chemistry £3.00
- New Grade 9-1 GCSE Physics £3.00

If your child has 12 hours of Science a fortnight they will require 3 revision guides (**GCSE Biology, GCSE Chemistry and GCSE Physics**). We will only sell higher tier revision guides for these courses.

If your child has 10 hours of Science a fortnight they will require 1 revision guide (**GCSE Combined Science**). Discussions have started in lessons regarding tier of entry and your child should ask their Science teachers whether they need to purchase the higher or foundation tier. If in any doubt then please order the higher tier.

Can I also remind you that students should be using their exercise books for revision, as well as the Kerboodle online resources which include a digital textbook.

To purchase the revision guide please see the school website and click on the link on the homepage; <https://www.princehenrys.worcs.sch.uk/tbos>. From here you will be able to make your selection and pay for them using a credit or debit card. The deadline for ordering books is **Saturday 31st October 2020** and books will be ordered from our suppliers when we return to school after the half term holiday.

If you have any queries relating to the purchasing of the books then please direct them to the Finance Office either by phone or by email to textbooks@princehenrys.worcs.sch.uk

Yours sincerely
