

Coronavirus (COVID -19) Catch-up Premium Grant (2020-21)

Prince Henry's High School welcomes the Government's decision to allocate £1 billion of funding to support children and young people to catch up lost time after school closure. This is especially important for the most vulnerable and those from disadvantaged backgrounds.

At Prince Henry's our grant is anticipated to be approximately £75k

In deciding how best to allocate the grant, Prince Henry's has referred to the Education Endowment Foundation (EEF) publication [coronavirus \(COVID-19\) support guide for schools](#), which draws together evidence-based approaches to catch up for all students. The school has published an Academic & Pastoral Covid Response Strategic Plan (see appendix) which outlines the school's priorities and the methods that will be used to ensure all pupils are supported during this academic year.

Our grant will be used to:

- **Support High Quality Teaching for all**
 - including the purchase resources for pupils, such as revision guides and text books
 - including the employment of additional teachers to cover for absent colleagues, so that the full curriculum can be delivered
- **Support Remote Learning for pupils who are isolating**
 - including the purchase IT software and hardware to improve our capacity to deliver live lessons
- **Support high quality one to one and small group provision**
 - including the employment of Tutors for 'After Hours'
- **Support Academic Tutoring**
 - including to pay for provision from The National Tutoring Programme
- **Support pupils' social, emotional and behavioural needs**
 - including to pay for the introduction of a 'Breakfast Club' and other counselling and support services
- **Support parents**
 - including to pay for software to run virtual parents' evening and to employ providers such as 'Elevate.'

We will regularly monitor the effect of this expenditure on the educational attainment of those pupils at the school using pupil assessment data; feedback from pupils, teachers and parents.
