

Prince Henry's High School

Accessing online resources using RM Unify

Load your device's web browser e.g. Google Chrome and browse to the school's RM Unify website:

<https://phhs.rmunify.com>

Sign in using your network username and password.
e.g. 19TesUse

If this is your first time using RM Unify, you may be asked to accept Cookies and the Terms and Conditions. Tick each box and select **Launch RM Unify**.

You will now see links to the school's online resources including Mail, Teams, Show My Homework and PHHS Live.

Please review our additional guides for support using these resources.

Download Office Now allows you to download and install Microsoft Office on your home computer.

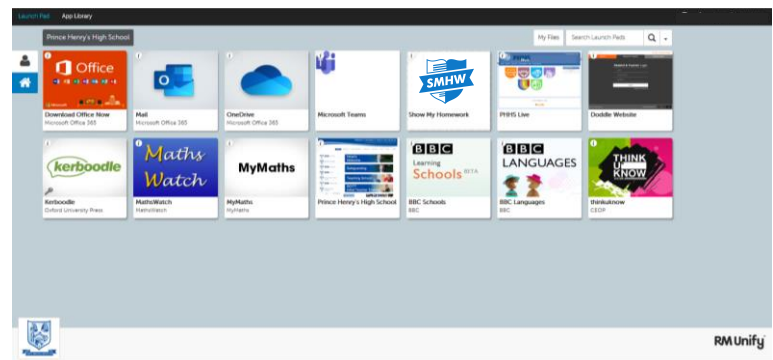

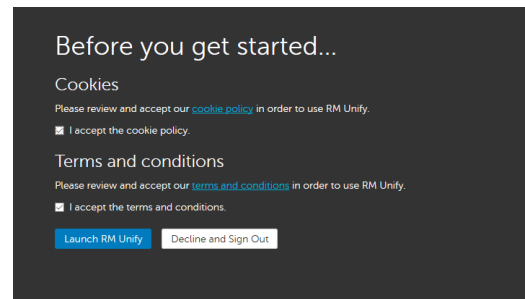

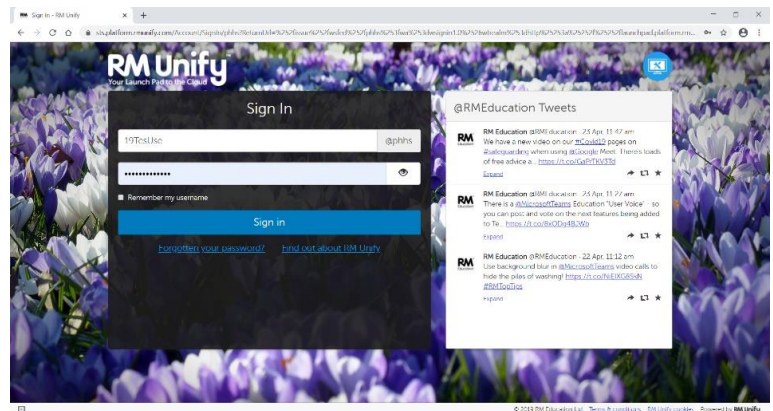

Mail to load Microsoft Outlook and access your school email.

Microsoft Teams is the online hub where you and your teachers can communicate and share files during online class meetings.

Show My Homework is the online homework system that facilitates learning in school and at home. An additional login is required.

If prompted with a Microsoft Sign in, enter your school username followed by **@princehenrys.worcs.sch.uk** as the username and select **Next**.

e.g. 19TesUse@princehenrys.worcs.sch.uk

*Information: your school email account is only able to send to approved addresses.
For login support, please contact passwordenquiry@princehenrys.worcs.sch.uk*
