

A Level Biology

Year 12

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Teacher A	Exchange Surfaces & Breathing	Transport in Animals & Plants	Biological Molecules	Enzymes	Biodiversity	Ecosystems
Teacher B	Cell Structure & Cell Membranes	Cell Division	Communicable Diseases		Classification & Evolution	Homeostasis

Year 13

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Teacher A	Neuronal Communication	Respiration	Excretion	Organisation of the Nervous System	Plant responses, Ecosystems, Populations & Sustainability	
Teacher B	Hormonal Communication	Photosynthesis	Genetics, Inheritance & Variation	Manipulating genomes & cloning	Biotechnology
