

PRINCE HENRY'S HIGH SCHOOL

An "Outstanding" Academy for Students aged 13-18

Headteacher: Dr A A L Evans BSc(Hons), PhD

June 2022

Dear Parent (s)/ Carer (s)

Evesham, Worcestershire – Year 12 Geography Field Trip

Each year as part of the A-level course, the Geography department arrange a variety of field trips. This year we are planning to take Year 12 students to Evesham in the summer term. As part of the AQA A-level syllabus, all students should be offered an opportunity for out-of-classroom fieldwork, and this trip is one of the ways students can meet this requirement. This location offers the students the opportunity to study a variety of human fieldwork methods which could be used in their upcoming NEA, which is worth 20% of their final A Level.

The students should meet in Henry's at **9.30am** after registering with their form tutor. Then as a group, with members of staff they will walk to Evesham town centre. The students will be back in time to catch the school bus home. Your child is required to wear school uniform. However, they may bring a change of suitable footwear, such as trainers. Students should also bring a packed lunch, but there will be opportunities for them to purchase food.

The students will have some unsupervised periods of time when they are conducting their fieldwork. Therefore, students are reminded that the same rules and expectations apply as they would if they were in school. Students must ensure that they remain in their groups at all times. Members of staff will be situated at a central location and students will be issued with the school mobile number should they need to contact a member of staff while on the visit.

The trip will take place on **Monday 11th July 2022. There is no cost for this trip.**

If you wish your child to be included on this trip, please complete and return the consent and medical form to the Geography department by the **24th June 2022.**

If you have questions regarding the trip please do not hesitate to contact me.

Yours sincerely,

Mr D Cains
Head of Geography
