

PRINCE HENRY'S HIGH SCHOOL

An "Outstanding" Academy for Students aged 13-18
Headteacher: Dr A.A.L. Evans, B.Sc. Ph.D.

SCHOOL YEAR 2022/23 NEWSLETTER NO. 1

Dear Parents and Carers

I hope that you all had a restful and enjoyable summer break. My colleagues and I are very much looking forward to the new academic year and we have a full range of school trips, sporting fixtures and extracurricular activities planned for the coming months. Students will be learning more about this via assemblies and Tutor Time. Already, we have had a very positive first week following the staggered start to the term which allowed Years 9 and 12 (including a significant number of students who have joined our Sixth Form from other schools) to enjoy an Induction Day on Monday 5th September, with Years 10, 11 and 13 starting their term on Tuesday 6th September. All the year groups are looking very smart indeed and settling into their lessons and new routines.

I hope that parents and carers of students in all year groups have [had the opportunity to read the important transition information posted on the website](#) to help support your child's next steps on their journey through Prince Henry's. On behalf of the staff I would like to thank you for your support as parents/carers in helping us to uphold the school rules by ensuring your child comes to Prince Henry's with the proper uniform and equipment. It is very important that our students take pride in their appearance and behaviour, respect the school, each other, and our neighbouring community. Prince Henry's has a very special reputation, and we expect very high standards indeed from our students.

At the start of every school year, there is always a great deal of information to share with parents/carers and students. I appreciate your taking the time to read about the recent achievements of current and former Prince Henry's students. Important information about our routines and procedures is also provided within this letter, which enables our school to be truly successful. A great deal of information, whether it be day to day practical guidance or news updates, is also contained on the school's website – www.princehenrys.worcs.sch.uk .

SIMS Parent App

This year we have also introduced the SIMS Parent App to communicate directly with parents/carers and you should have received information regarding this and inviting you to join the service. Information about this is also [available on the website](#).

At the start of each academic year, you will receive several messages asking for your consent for your child to engage with a range of extra-curricular activities. Please provide consent 'Accept' for any activities that your child wishes to participate in and 'Decline' any activities they are not interested in.

GCSE and A Level Results

Congratulations to all the students, staff and parents/carers on the outstanding exam results achieved this year. The vast majority of our Year 13 students secured their first choice places for either university or apprenticeships and we wish them every success with their future careers. A celebration of our students' achievements at [GCSE](#) and [A Level](#) can be found on our website. We are confident that our new Year 12 students will build on their attainments at GCSE level with their A Level studies, and we are working hard with Year 10 and Year 11 students to ensure that they too achieve the best possible results at GCSE.

Sports Update

We were delighted to learn of some outstanding sporting achievements by Prince Henry's students during the summer.

Leah Saunders represented GB in European Junior Rowing Championships in France and won the Women's Single Sculls event.

[Cerys Godwin \(U19s\)](#), [Maddie Miles-Kingston \(U19s\)](#) and [Maisie Rosewell \(U15s\)](#) all represented England in the European Junior Touch Rugby Championships in France, with each of them winning gold medals.

Beth Pye is the Girls' U18 Singles Rackleton World Champion, having competed in the World Championships in Austria.

Finally, at the very end of last term, we heard that Prince Henry's had been awarded the School Games Platinum Award once again. The school has held this accreditation since the Platinum mark was introduced in 2017-18.

Congratulations to all of these students and my thanks to Mr Thompson and the PE Department for all the work they do to support extra-curricular sport across the school.

Staffing Update

At the end of last term we said farewell to some members of staff, including several longstanding colleagues: Mr Bridgens (Head of PE) has left after 18 years to take up a Director of Sport position nearer to his home; Mrs Birch (Geography) has also taken up a post at another school, whilst Miss Korkus (Science Technician) and Mrs Graham (Food Technician) also moved on to pastures new. Finally, Mrs Bloom (Modern Languages – 20 years), Mrs Smith (Modern Languages – 31 years) and Mrs Short (Head of RE – 30 years) all retired at the end of term and I am sure you will join me in wishing them a long and happy retirement and thanking all of these colleagues for their wonderful service to the school and the many generations of students they have taught and supported during their time at Prince Henry's.

I am pleased to welcome the following members of staff to Prince Henry's:

Miss Bitcon (EJB)	Teacher – Art / Learning Supervisor
Dr Callow (RCC)	Teacher – RE
Mr George (WMG)	Teacher – ICT
Mrs Grove (SJG)	Teacher – Mathematics

Miss Smedley – Environment & Sustainability Co-ordinator
Miss Robinson – Assistant Deputy Head of Year 9 / Activities & Enrichment Co-ordinator
Mrs De Silva Morgan – Science Technician

Site Update

During the summer holidays, a number of exciting developments have taken place around the school site. Work on our new Music Department has been completed and it now enjoys wonderful new facilities in the Alex Gregory Pavilion. Some of our sports facilities have also been upgraded, with the creation of a new fitness suite/gym in the Sports Hall and the resurfacing of the basketball/Multi-use games area (MUGA) adjacent to the astroturf. Work on the new MUGA that was created on the site of the old DT block has now been completed and this provides a new amenity for students to use during lessons and at break times.

With the introduction of our on-site bus bays towards the end of last term, the school's main car park was resurfaced during the holiday period, with new lines being painted to designate the bus bay areas.

Homework

Homework reinforces what is learned in class. It goes without saying that if students adopt good working practices at home this inevitably enhances their overall learning and performance. We encourage all parents/carers to support good attitudes to learning at home and, for students in Years 9 – 11, I have written to you separately with a letter specific to the year group your child is in. These letters may be viewed in the [Homework area of the website](#). Please also see our [Home School Agreement & Expectations on the website](#).

The school uses ShowMyHomework to give parents/carers complete homework visibility so that you can support their child at home. To allow for access to the system, students who are new to the school and their parents will receive their passcodes over the next week. Any existing parents/carers or students who have misplaced their login details, should request new information from Mr Brant via enquiries@princehenrys.worcs.sch.uk.

Before and After Hours Provision

There is an opportunity for those students who would benefit from a healthy breakfast to attend our Before Hours provision in Henry's. This will be supervised by Mrs Jennings, following a referral from a Head of Year. If you think your child would benefit from this provision, which is available from 8am onwards, please contact the relevant Head of Year.

Our After Hours provision will continue this term for invited Year 11 students. Students from this year group will be invited to attend on either Mondays and Tuesdays or Wednesdays and Thursdays from 3.30-4.30pm in the Learning Resource Centre. Following consultation with Mr King and the Year Team, letters of invitation will be sent home.

Reports and Progress Checks

We are now looking forward to the achievements of the year groups to follow, and of course it is important to monitor the progress of your child. If your child was in Year 9 or Year 10 last year they should have been issued with a Report at the end of last term. If you have not received these then your child must ask their Tutor who will ensure that it is issued.

School Uniform

Please see the [School Uniform section of our website](#) for further information about correct uniform and appearance. Thank you for your continued support in ensuring that our students look smart.

Contacting the School

I would like to remind parents/carers that all routine enquiries and information about your child should be conducted through the Form Tutor. For more serious matters please try to contact the relevant Year Head, Deputy Year Head or Assistant Deputy Year Head as listed below:

	Year Head	Deputy Year Head	Assistant Deputy Year Head
Year 9	Mrs S Thorner	Mr T Pilling	Miss L Robinson
Year 10	Mr L Roleston	Mrs S Hall	Miss C Rimell
Year 11	Mr J King	Mrs H Miles	Mr M Cain
Sixth Form	Mrs C Webb	Mr J Martin	Mr T Cooper
		Mrs J Tozer	

For the occasional issue that can't be dealt with by the relevant Head of Year or Head of Department, you may also contact members of the school's Senior Leadership Team:

Mr B Freeman, Snr Deputy Head	:	Pastoral issues, Uniform, Behaviour, Safeguarding
Mrs A Lungley, Deputy Head	:	Curriculum, Teaching and Learning, Reports, Data & Assessment
Mrs S Thomas Deputy Head	:	School Transport & Timetable
Mrs N Barker, Deputy Head	:	Alternative Provision, Learning Support/SEND
Mr A Duffy, Assistant Head	:	Teacher Training Programmes
Mrs C Webb, Assistant Head	:	Head of Sixth Form
Mr A Hulse, Operations Manager	:	Site Management, Data Protection Officer
Mr P Barrington, Finance Manager	:	School Finance

Please bear in mind that all my teaching colleagues have many commitments and that they are not always immediately available to deal with enquiries, although they will do their best to get back to you as soon as possible. If you contact the school to discuss a pastoral matter and your child's Year Head is not available, you may well be put through to Mrs Davey who acts as the school's Pastoral Secretary for Years 9 – 11, or Mrs Tranter for the Sixth Form. They will ensure that your enquiry is passed on to the relevant Head of Year and that it is followed up as soon as possible. Parents who wish to see a teacher are asked to make an appointment in advance.

When contacting the School by phone, the following options are available:-

1. Reporting your child's absence in Years 9-11
2. Sixth Form issues including reporting absence
3. Mrs Davey / Pastoral issues Years 9-11
4. The Finance Office

Or stay on the line to speak to the receptionist.

In case we need to contact you please keep us updated with any change of address and/or telephone numbers and any change to home circumstances.

Students' Behaviour in Public Places

A large proportion of our students walk to and from school. I would be very grateful if parents/carers would impress upon their children the importance of consideration for others in public places, particularly where pavements are narrow and where elderly people or those with pushchairs or young children may be trying to walk against the flow of PHHS students. While this applies mostly to Evesham, it is also relevant to at least some of the villages that our students live in. Thank you for your co-operation.

Parents/Carers Who Bring Their Children to School by Car

I have been asked by Mrs Thomas (Deputy Headteacher) to inform you about the issues concerning the school at the start and the end of the school day. Please be aware that there are parking restrictions in Victoria Avenue at the start and end of the school day, with limited access to the school, compounded by 12 school buses dropping children off in the morning and picking them up again in the evening.

Parents/carers using any part of Victoria Avenue or the other nearby side roads to drop children off in the morning and to pick them up in the evening cause serious problems for the bus drivers, local residents and for the school. On occasions the congestion caused by parents/carers parking in the street or the school car park poses a major problem with traffic becoming jammed and unable to move all the way back to the main road.

Dropping children off before 8.50 am and picking them up after 4 pm is not a problem, but otherwise, please arrange an alternative pick up/drop off point well away from Victoria Avenue and the surrounding streets. A local councillor, on behalf of residents, has asked if parents/ carers could also be mindful, when parking on Greenhill, of not blocking visibility for motorists trying to access Greenhill from side streets. Thank you for your co-operation.

If your child has an obvious medical problem which necessitates him/her being dropped off/picked up at school please contact Mrs Thomas. I am sure we can make a special arrangement with you.

Students Travelling by Bus

Any queries in relation to bus passes should be directed to the [Transport Team at Worcestershire County Council](#), by email TCLUTransportCommisioning@worcestershire.gov.uk or telephone 01905 765765.

Mobile Telephones & Electronic Devices

Mobile phones/electronic devices are a distraction to the learning process and are not required during school time. In Years 9 – 11 inclusive, these devices must not be used in school. Any mobile phone/electronic device in plain sight will be confiscated and only returned to the appropriate parent/carer who will need to collect it from the school office. For all students, any mobile phone or other device that is brought into school is entirely at the risk of the student. The school will not be responsible for any loss or damage to the device. We ask parents/carers wishing to contact their child whilst at school to do so via the main school office and encourage parents/carers not to text or phone their child's mobile phone during the school day.

Latest Covid Guidance

The latest government guidance for young people aged 18 and under states:

“It is not recommended that children and young people are tested for COVID-19 unless directed to by a health professional.

If a child or young person has a positive COVID-19 test result they should try to stay at home and avoid contact with other people for 3 days after the day they took the test, if they can. After 3 days, if they feel well and do not have a high temperature, the risk of passing the infection on to others is much lower. This is because children and young people tend to be infectious to other people for less time than adults.

Children and young people who usually go to school, college or childcare and who live with someone who has a positive COVID-19 test result should continue to attend as normal.”

Attendance

There is a very clear link between students' attainment and attendance and this is highlighted in the students' planners.

Please also see an important separate letter from our Attendance Officer, Mrs Jennings, which will be posted on the [website](#) in the next few days regarding the way Persistent Absence (PA) is recorded and the impact this potentially has on parents/carers of those students with poor attendance. An attendance of 95% still means that two weeks of school and therefore 50 lessons have been missed during the year. For this reason, we would appreciate your support in ensuring students do attend unless genuinely too unwell to do so. If your child is unable to attend, please ring the school on 01386 765588 between 8.30 – 9.00 am. Parents/carers will receive automated notification each time their child is absent from school and we have not been informed. This is in line with government policy to notify parents/carers of unexplained absences and is aimed at safeguarding students.

Dedicated attendance line – message on the answer phone

Option 1 – Reporting your child's absence in Years 9 – 11

Option 2 – Sixth Form issues including reporting absence

Please leave details of your child's name and tutor group and the reason for their absence.

Punctuality Reminder

Students are expected to be on the school premises at 8.55 am, ready to move to Registration or Assembly at 9.00 am. Any student arriving after 9.25 (unless this is as a result of a school bus being delayed) will trigger a late text to a parent/carer. We appreciate your co-operation in ensuring your child has left home in ample time to get to school.

Holidays During Term Time

Our school policy is not to grant any leave of absence for family holidays during term time unless there are exceptional reasons. Therefore, any holiday taken in term time will be deemed as an unauthorised absence. Whilst notification of planned absences for routine events such as medical, orthodontist, music exam appointments, etc should be put in writing to form tutors, I must be informed in writing of any other planned absence.

Safeguarding and Online Safety

As I am sure you will be aware, in recent years there has been a considerable focus in the media upon the issues of online safety and child-on-child abuse (also known as peer-on-peer abuse). At Prince Henry's we take these issues very seriously and parents/carers will find on our website areas that are dedicated to [Safeguarding](#) and [Online Safety](#). Within these areas you will find links to useful resource material for you and your child/ren. Please may I ask you and your child to pay particular attention to [my letter relating to the student access to the internet at school](#) and the school's [Online Safety Policy](#), which includes our Acceptable Use agreement for Students, Parents and Carers.

Healthy Eating & Lifestyles

We are pleased with how well our dining facilities are used. Please help us by encouraging your child to eat in a healthy way by discouraging them from bringing such items as crisps, fizzy/energy drinks, chocolate and sweets or chewing gum, etc, into school, and by ensuring they have eaten breakfast before they come to school.

In addition to eating healthily, we also encourage our students to get enough sleep, to leave their electronic equipment alone now and then, and to get some appropriate exercise.

Cashless Catering

As you know, the school's caterers operate a cashless payment system. Using the ParentPay system avoids students needing cash and buying unhealthy snacks on their way into school. Students can spend up to £2.50 per meal and £5 per day in Henry's unless parents have increased the limit individually. Full details can be found in the [School Catering area of our website](#), with information about claiming for Free School Meals.

All-Weather Pitch (Astro Turf)

Students using the Astro Turf must wear proper trainers and adhere to the rules for use. Students are allowed to play sport on the Astro Turf or on parts of the field during lunchtime at certain times of year. There are also tennis court areas which are available for a variety of ball games including basketball for most of the year. Our students are expected to conduct themselves sensibly, to avoid injury to themselves and others.

The all-weather pitch and other sporting facilities are also available for community use after 6 pm and at weekends. Please contact the Sports Facilities Manager on 01386 45074.

School Premises

It is important that all parents/carers understand that the school premises, including the school fields, Astro Turf and tennis courts, are private property. The Sports Hall, Astro Turf and Henrician Theatre are available for community use and may be booked in advance using the proper channels. The school also organises a wide range of extra-curricular activities using these and other facilities. However, under no circumstances should students of the school, their friends or other family members be on any part of the school site outside of school hours, including during the evening, weekends and school holiday periods. Any adult or child who is on the school site, but not engaged in a proper formal activity arranged through the school, will be trespassing. Thank you for your co-operation.

Calendar

Please see the [calendar for future events](#). [Term/TED dates](#) are also on the website. If there are any changes eg relating to TED Days, we will highlight these on our website and in future Newsletters which I intend to publish on the second Monday after each half term break.

And Finally,

I do very much appreciate there is a lot of information here. Prince Henry’s is a very busy and vibrant school, and we are delighted that we are able to look forward to a full calendar of trips, extra-curricular, enrichment and other events after the disruption caused by the pandemic. On behalf of the staff, I would like to thank you once again for your help and support in all the matters referred to above. We are all looking forward to 2022/23 being another fantastic year for Prince Henry’s High School.

Yours sincerely

Dr A Evans
Headteacher
