Parent(s)/Carer(s) of Year 9 Pupils

Dear Parent(s)/Carer(s)

## Year 9 Flu Nasal Spray

It has been arranged with Vaccination UK that their Vaccination team will come into school on the **Thursday 12th January 2023** to deliver the Flu Nasal Spray Vaccination to Year 9 students.

Information about the vaccination is on the school's website in the Letters to Parents section. You will need to click on the link in that letter in order to complete the consent for this vaccination which is being collected via an E-consent form. It is important for you to complete this form even if the vaccination is being refused. It would be appreciated if the E-consent could be completed as soon as possible as without a completed consent form the team will not be able to administer the vaccination.

Please note that the school is only acting as a venue for these vaccinations. **If you have any difficulty completing the E-consent form or have any other queries about the vaccinations please contact the Vaccination team by telephone on 01527 390 030 or via e-mail to [worcestershire@v-uk.co.uk](mailto:worcestershire@v-uk.co.uk)**

Yours faithfully

**Mr B Freeman**
