

February 2024

Dear Parent(s)/Carer(s)

National Museum of Computing

On Wednesday 13th March 2024 we are planning a visit to the National Museum of Computing at Bletchley Park.

Often cited as the birthplace of the modern computer, Bletchley has a rich heritage for this subject. The National Museum of Computing is sited at this historic location and provides an excellent view through history of computers from the 1940s to the present day. With an excellent educational pedigree the museum offers students an opportunity to get much of the learning from A' Level Computer Science into focus and see its practical impact. The staff at the museum are all experts in their field and will deliver a custom experience. We have run this trip many times over the years and pupils have always found it to be both educationally valid and an enjoyable day out.

The cost of the trip is **£29.50** and if your child would like to attend then please make payment via Parentpay. If you have not activated your Parentpay account or if you need any assistance then please contact the school finance team by email to parentpay@princehenrys.worcs.sch.uk.

We will be travelling by school minibus leaving Prince Henry's at 9:00am and we will aim to return by 4:00pm. As we will return after the school buses have left school, you will need to make arrangements for your child to get home. Students will be reminded that they should wear a seatbelt while travelling in the minibus. Students do not need to wear school uniform but should dress appropriately for this event. Students should bring a packed lunch and a drink with them as there will be no facilities to purchase food. There is a small shop selling a limited range of gifts and souvenirs and some snacks. Your child is welcome to bring some spending money for the shop.

Please complete the attached form and return it **to Student Reception no later than Friday, 1st March 2024.**

If you have any queries please do not hesitate to contact us at school.

Yours sincerely

Mr M Brant
