

February 2024

Dear Parent/Carer

Year 10 Destinations Day – Thursday 29 February 2024

We are holding an exciting careers event for Year 10 on Thursday 29 February called Destinations Day where students will be off timetable to attend "taster" sessions in a variety of careers. We have invited outside speakers into school to offer careers advice and students will have the opportunity to ask any questions they may have. Whilst it is impossible for us to offer sessions in every career, there are common elements across many different careers and students should take this opportunity to try something out of their comfort zone.

There will be 5 sessions following the timings of the school day. Students will attend 4 sessions based on their choices and a compulsory session on Employability Skills.

The dress code for the day is school uniform (any students selecting sports sessions will need to change into PE kit for those sessions).

The list of sessions will be issued to students for them to make their choices. Some sessions may be over-subscribed and I cannot guarantee that every student will get their first choice of sessions. It should please be noted that if the Choices Form is not returned by the deadline, students will have sessions allocated to them.

Yours sincerely

Mr J Martin
