

January 2025

## To the Parents and Carers of Year 11 Students

Dear Parent(s)/Carer(s)

This is a very busy and crucial time for all Year 11 students as we begin the approach to the GCSE examinations in the summer. Students have recently undertaken some mock GCSE examinations and will have received some feedback from their teachers. The students have proved themselves to be a pleasant and co-operative group of young people and many of them are already working very hard.

To support your child and you, as parents/carers further, we would like to invite you and your child to attend a presentation at school which will focus in the main on various revision styles and techniques. The meeting will be held on **Tuesday 11th February 2025** between **5.45pm and 6.45pm** in **The Henrician Theatre** and will be led by the Head of Year 11, Mr Cooper along with some other key members of staff, also in attendance.

Please follow this link to make your booking,

Our experience is that students are most likely to realise their potential if they are aware of the importance of working consistently from now on and not merely for a short period before their GCSEs. This means that students should be doing short bursts of extra reading and revision on a regular basis at home in the evenings and at weekends in addition to their homework. In this way, they will accumulate a significant number of extra hours of study between now and the start of their examinations.

We are looking forward to meeting you on Tuesday 11th February. We are confident that together we can ensure we do the best for our Year 11 students and we wish them every success.

Yours sincerely

**Mrs A Lungley**  
**Deputy Headteacher**

**Mr T Cooper**  
**Head of Year 11**
