To the Parent(s)/Carer(s) of Year 9

Dear Parent(s)/Carer(s)

At Prince Henry's High School Personal, Social, Health, Relationships and Economic Education (PSHRE) is a valued part of the school curriculum that we offer each and every student. It not only encompasses our philosophy and values as a school but enables students to explore and consider issues of significant importance both to the community and in a wider social context. In so doing, it encourages students to be socially aware, confident and safe within their growing independence.

As part of the Personal, Social, Health, Relationships and Economic Education (PSHRE) programme for students in Year 9 a nationally recognised Theatre for Schools Education Production Company, Narrative Alchemy, are giving a performance in school that is aimed at raising awareness of Child Sexual Exploitation. The performance is due to take place on Thursday 23 January 2025.

'Chelsea's Story' is an internationally renowned Applied Theatre Production that has proven highly successful in raising awareness around the issues surrounding Child Sexual Exploitation (CSE) including key areas of Consent, the grooming process, avoidance of victim blaming and where to go for support, all of which are requirements of the statutory curriculum.

I hope you will agree that this is a good learning opportunity for all students. Please be assured that your child's form tutor will speak to them in advance of the performance as well as address any concerns or questions they may have in light of the story being shown.

Yours sincerely

Miss S Thomas
Head of PSHRE
