Cool off in the July heat with some great new books, fresh into the library for summer borrowing!

You can also join in at your local library with the annual Summer Reading challenge, or even get involved in running it. Worcestershire libraries are on the hunt for volunteers aged 13-24 so if you are passionate about books and enjoy working with children, this is a fantastic opportunity to share your love of reading while gaining valuable skills and experience. It can count towards your Duke of Edinburgh award too. Apply using the link here [Summer Reading Challenge | Worcestershire County Council](#)

For more challenging reads over the summer, look out for the Big Tasty Read launched by the Reading Agency, with a food-themed book list to tickle your reading tastebuds. [The Big Tasty Read Booklist - The Reading Agency](#)

Final Farewells

We are saying a fond farewell to Mrs Gardiner, who retires this summer after 35 years at Prince Henry's in a variety of supervision roles. She's been the lunchtime library assistant for the past five years, running clubs and activities and generally keeping order in the LRC (or trying to!!). We wish her all the best for a long and happy retirement full of travel, relaxation and reading, of course!

We also said goodbye this term to our Y13 student librarians Anna, Dylan, Olivia and Thomas, who been enthusiastic volunteers helping the LRC team to keep the library running smoothly. We wish them well in the next chapter of their lives after Prince Henry's.

978 BOOKS STILL ON LOAN! Final call for overdue text books

ALL books loaned via the LRC must come back before the end of term so please check bags, lockers, under the bed and in cupboards at home. There are still 380 overdue books, representing a total value of £4000. We cannot afford to replace them so it is essential they are returned to the LRC. Reminders via email and tutors have already been sent so this is a final chance to bring books back before we send invoices home for the cost of replacing them. If it's got a PHHS barcode inside the front cover, it's a book that needs to come back to the LRC. Thank you!

Got these?
Or other books?

Have they got a PHHS barcode?

Then put them in here in the LRC!
