

PRINCE HENRY'S HIGH SCHOOL

An "Outstanding" Academy for Students aged 13-18
Headteacher: Dr A A L Evans BSc(Hons), PhD

September 2025

Dear Parent(s) / Carer(s),

In the next few weeks your child will be having a career meeting with one of our career advisors. It would be extremely helpful if you could help them prepare for this meeting by discussing with them their possible options for after GCSEs.

It is important for your child to consider what interests them and what area of work / career they would like in the future. The pathway to their preferred career also needs to be considered so that aspirations can realistically be achieved. It would also be very helpful if a range of different plans could be discussed depending upon the results they may achieve at GCSE.

Your child will have learnt about the different routes open to them over the last two and half years through career lessons, assemblies and activities such as work experience. However I appreciate that they may not have shared this with you or that they may still be unsure about the paths open to them so I am including a quick overview of Post 16 options with this letter.

In preparation for their meeting your child will work on a 'what next' planning document during tutor periods at school to help with their discussions during the career meeting. I will also put a copy of this on satchel one (SMH).

There are many useful resources to help and support you and your child as they prepare for their next step and I include links to these in the post 16 overview guide.

Yours sincerely

Mr J Martin
